

## Foster Family Program

### You will be required to provide:

#### Dogs:

- 🐾 Food and water bowls
- 🐾 Food and fresh water
- 🐾 Blankets and toys
- 🐾 Consistent daily training

#### Cats:

- 🐾 Litter (Pan may be provided)
- 🐾 Food and water bowl
- 🐾 Food
- 🐾 Blankets and toys

But most importantly, both cats and dogs will need as much **love** as you can give them.

### Provided for you:

- 🐾 Crate
- 🐾 All vet care including spay/neuter, vaccines, microchip, and initial flea treatment
- 🐾 "Adopt Me" bandana or vest
- 🐾 Collar, harness, and leash
- 🐾 Basic professional training advice
- 🐾 Business cards and profile of pet's information

### How a foster makes an impact:

- 🐾 Improves the emotional and physical well-being of our dogs and cats
- 🐾 Decreasing the length of an animal's stay in the sanctuary
- 🐾 Reach the public in ways that we are not able to do on a day-to-day basis, educating the public about our facility, mission, and the wonderful opportunities offered through ACS
- 🐾 Providing space for us to help other animals in the community and surrounding areas

### Requirements:

- 🐾 18 years of age
- 🐾 Allowed an animal at your residence
- 🐾 Able and willing to spend time with animal and provide any necessary training
- 🐾 Able and willing to market for the animal in order to find their forever home
- 🐾 Current pets must be up to date on state required vaccinations and be spayed or neutered
- 🐾 Please also check local ordinances about the number of animals allowed in your home.

"We find it richly rewarding to work with a foster animal, helping a dog acclimate and socialize with other pets in the home, eating side by side with other dogs, the experience and joys of riding in the car, snuggling on the sofa, and getting used to a normal lifestyle. We get excited to know that this animal is soon going to be placed in a perfectly suited home, and that makes our hearts happy."

~Jerene, Foster
